

Technical drawing of the FK-0322XL robot arm. The drawing shows the arm's profile with dimensions: 85.5 (total length), 55 (reach), and 026 (arm diameter). The arm is labeled FK-0322XL. The base is labeled 045 (base diameter). The arm is shown in a retracted position, with the end effector (a gripper) visible. The drawing also shows the arm's internal structure, including the motor and gears.
